AARON CREWS
SOFTWARE DEVELOPER

SUMMARY

Aspiring software engineer with hands-on experience in HTML, CSS, and JavaScript, seeking to leverage my technical skills and practical knowledge gained through my work at Home Depot and self-taught coding journey in a software engineer internship role.

EXPERIENCE

TOOL RENTAL ASSOCIATE
The Home Depot
2023 - Present

- Progressed from part-time in the Garden department to full-time in Tool Rental due to strong work ethic and dedication.
- Provided exceptional customer service, helping customers with tool selection, rental, and technical support
- Used my mechanical experience to serve as the back up technician for my department.

COMERCIAL REFRIGERATION TECHNICIAN
Kiser Comercial Kitchens
2021-2023

- Installed, maintained, and repaired commercial refrigeration units and kitchen equipment for various clients.
- Diagnosed and resolved complex mechanical and electrical issues, ensuring minimal downtime for clients.
- Developed strong problem-solving skills through hands-on repair work in high-pressure environments.

AUTOMOTIVE TECHNICIAN
Bob Sellers Auto Clinic
2018-2023

- Specialized in repairing Jaguars, with experience in a wide range of automotive repairs, including brake systems, engine rebuilds, and general maintenance.
- Maintained high-quality standards, ensuring customer satisfaction through thorough and precise work.
